

DIVERSITY VISA:IMPORTANT ANNOUNCEMENT

The US Embassy in Zambia would like to alert the general public that there have been a number of scams in relation to the Diversity Visa Lottery Program popularly known as the "Green Card".

There is only one legitimate website which relates to the Diversity Visa Lottery Program: <http://travel.state.gov>. The public is advised that only internet sites ending in ".gov" are official U.S Government websites.

There is NO CHARGE to complete the Electronic Diversity Visa Entry Form and successful Diversity Visa applicants are notified by letter and not by email. The Diversity Visa Lottery Program only runs for a number of months a year. The DV-2008 entry registration period, which was 4th October through 3rd December 2006, is over. For future Diversity Visa information updates, please check the <http://travel.state.gov> website.
